**ERRATUM:** Karrie Ilagan, one of our featured personalities in "Women on Top" (October 2013), is the General Manager of Microsoft Philippines, not its Marketing Director. Also, in our November 2013 cover story "19 Hours to Showtime," the set was designed by Jo Claravall. We sincerely apologize for the oversight.

## IPAD EXCLUSIVE:

Let's all end the year right! This month, in the spirit of the holiday season, Metro encourages you to join our very own happiness project—the #give-back campaign, headlined by ten humble and remarkable personalities who continuously spend their time and effort in helping others, especially the victims of the recent calamities. Get a glimpse of the behind-the-scenes photos and videos and get to know what they have done to give back, and how important it is for them to share their blessings. Also, Metro brings you a fashion-forward and issue laden with tips on holiday and workwear dressing, party ideas, and beauty fixes.

All these and more in the Metro Digital Edition. Download the Metro app from the Apple newsstand and the Android market. Follow us on Twitter and Instagram (@MetroMagPH), like us on Facebook (facebook.com/MetroMagazine).
