V. PREDIS Kinder Package (Group Lessons for First-timers)

RATIONALE

The Predis Group Lessons package provides lessons in violin for 1st-timers only (beginners) for one term. The students are trained to learn performance technique and music repertoire while enjoying the company of their classmates. Group lessons provide many advantages such as the joy of playing with others as well as the challenge to perform equally well like the other members of the class. Group lessons are economical. The tuition is much cheaper than individual instruction. The students are trained to perform their repertoire both as a solo performer and as a member of the ensemble. Each class should have 4 to 5 enrollees preferably of the same age. After the module, students are advised to continue their lessons by enrolling in the Predis Regular Packages taking lessons on a one-on-one mode of instruction and group lessons once a week to further develop their music competencies. The students are presented in a recital at the end of the module.

- 4 to 5 students in a class
- 12 Sessions of one-hour and a half of group lessons
  Cost: PHP 7,200.00 per semester
- Participation in the Monthly Recital (additional fee of PHP 250.00 per recital)
  Semi-annual Suzuki Membership Fee: PHP 300.00
  Tuition: PHP 7,500.00
