RE: SCHOOL FEE INCREASES FOR SY 2018- 2019 and ENROLLMENT CONFIRMATION

April 11, 2018

Dear Parents and Guardians,

Benedicite! We are almost at the end of SY 2018 – 2019, and I would like to take this opportunity to thank you for the wonderful and productive year that has been. I write this letter to formally communicate to you our plans for the next school year 2018-2019. As you are well aware, St. Scholastica's College, Manila has not applied for an increase of Tuition Fee for the past two academic years. Hence, the salaries and benefits of our faculty, office and service personnel have not been adjusted vis-a-vis the high cost of living in the metropolitan.

We also need to make the necessary adjustment as regards the compensation package of teachers in comparison to public school teachers' salary rate. We strongly believe that it is the only way forward that the school can sustain competitive teachers and maintain quality Benedictine/Scholastican education. Secondly, we need additional revenues to improve existing facilities, upgrade educational materials, and learning tools for the enhancement of instruction and student learning.

At the outset, I thank all the parents who attended the consultation meeting regarding Schedule of Fees for the School Year 2018-2019 held last February 23, 2018 at the Junior High School Conference room. The long and tedious deliberation with the Junior High School Parent Association Executive Committee members has resulted in the following increases:
