## features

### 32 style files

Four leading tastemakers from the worlds of home, fashion, and food let you in on their personal inspirations.

### 44 making her own rules

With a background in fashion, Gen Sohr decorates just the way she dresses. Her look is bright, bold, and highly personal.

### 61 wake-up call

Today show anchor Natalie Morales (with help from One Kings Lane) earns high ratings for her colorful living room makeover.

### 76 surf's up

Andrea and Ricky Schroder's coastal California home is open to gorgeous ocean views—and to lots of young visitors.

### 95 beauty in the feast

What do you get when you cross photographer Matthew Benson's eye with his green thumb? This gorgeous garden full of edibles.

### 120 when bloggers gather

They bring their camera phones, of course, but also their favorite recipes. See what six of our favorite online writers served up.
