55 COOK LIKE A PRO: SUMMER EDITION

We asked 13 chefs for their tricks and techniques for the kind of food we want to make when it's 90 degrees outside. From grilled squid to a fruit salad you can eat for dinner, here's how to stay cool.

70 THE GREAT BRITISH DAY OFF

Christine Muhlke gets lost in England's Cornwall in search of wild blackberries, fresh-caught crabs, and scones with local clotted cream. (Worth it...)

78 IN THE RAW

84 DESERT DAYS
