

The cover of the magazine features a close-up photograph of a young girl with Down syndrome. She has a gentle smile and is looking slightly to the right of the camera. Her hair is dark and styled in a fringe. The background is a soft, out-of-focus bokeh of warm colors like red, orange, and yellow, with some white light spots. In the top left corner, there is a teal rectangular box containing the magazine's title and logo. The main title 'Differences — NOT — DISABILITIES' is written in a large, white, cursive font across the bottom half of the cover, with the word 'NOT' in a smaller, yellow, sans-serif font between two horizontal lines. Below the title, the issue information and the ASCD logo are printed in a smaller, white, sans-serif font.
