## A word from the Editor

This packed issue of *hinge* takes a wander left and right, near and far, to bring you a list of design achievements made to measure envy. And what better than the triennial Aga Khan Awards, honouring the honourable in architecture from the Islamic world. We also have a handful of great houses, plus a courtyard which is different. We have a courthouse too, and housing for students. Some F&B to warm your taste buds and provide a visual distraction for the upcoming holidays. Not all good things are small enough to squeeze under a Christmas tree, after all.
