*hinge* focuses on architecture and design. The magazine is distributed to industry professionals, academics and VIPs, and eagerly snapped up by the public every month from leading bookshops.

We take a dynamic and innovative approach to the discipline of architecture and design, juxtaposing bold graphics and striking visuals with informative editorial. *hinge* brings you the design world - the way it is - in full technicolour.

## A Word from the Editor

Summer reading - or at least, summer looking - is a tradition in many cultures. There's something luxurious about taking a bit longer to ponder good design and the subject of design deserves just the same treatment. We've made this vacation's worth of buildings and spaces for this double issue, enough to keep you gazing and thinking until September. Keep cool, keep watching.
