

# JOURNAL OF ACCOUNTANCY®

A Publication of the American Institute of CPAs

October 2016

## HARD TO REACH

Despite improvements,  
the IRS's hotline and service are still  
getting mixed reviews from CPAs

## 26 | COVER STORY

### **Crafting a career that fits the life you want to lead**

CPAs have many options in structuring their professional lives. This article explores the major changes made by four CPAs and offers advice on how others can map their own path.

## 30 | 5 things leaders should never say

Want to keep your best CPAs from jumping ship? This article explores alternatives to the phrases best left unsaid.

## 40 | Turning a classic networking tactic into a job lead

Young professionals looking for career development opportunities are reviving the informational interview, a classic networking tactic that fell out of favor with the rise of digital research tools.

## 46 | A 10-K for the taxpayer

The financial report of the U.S. government provides a view of the government's current financial metrics and trends, as well as perspective on future issues and challenges, including long-term fiscal sustainability.

## 54 | 30 years after the Tax Reform Act: Still aiming for a better tax system

This article takes a look at the Tax Reform Act of 1986, 30 years later, as a jumping off point for tax reform today.

## CONTENTS
